

Bulk TV Services

Next generation television entertainment for MDU communities

GRID Communications provides bulk TV services to multi-dwelling unit communities. Through partnerships with specialized satellite TV providers, we deliver the best channel lineups on the market, at an unbeatable price.

A GRID TV service gives residents the best choice in movies, sports, documentaries, comedy, music, history and lifestyle all under one subscription.

And with a variety of channel packages available, subscribers can upgrade or downgrade at their own pleasure - providing ultimate flexibility and choice.

About GRID TV

GRID partners with award-winning DIRECTV® providers to deliver a comprehensive TV solution that delights every home owner and demographic.

DIRECTV is the world's most popular video service provider with over 285 channels that feature the best in Sports, Movies, Comedy, Documentaries, High Definition and much, much more!

With a bulk DIRECTV service at your property, you can pass great savings onto the home owner - in most cases up to 60% cheaper than individual agreements.

The GRID Experience

GRID is passionate about customer service. Our people have worked for some of the most prestigious service providers in their field and know what it takes to deliver a great TV experience.

Our contracts include Service Level Agreements (SLA) guaranteeing call out response times and equipment replacement. We run our 24/7 customer support team out of our corporate offices in Boca Raton, FL.

Our service response technicians are available on-demand, day or night to help troubleshoot issues or dispatch equipment whenever needed. You can relax knowing a qualified engineer is only a phone call away.
